This is the kind of property people look for when they dream of a mountain home. Beautiful 5.7 acre tract in the mountain development of Stone Valley. This property is a premium tract, offering nicely rolling and wooded hills, with several home sites overlooking 2 picturesque clear mountain ponds. The drives are already roughed in, with cleared areas for homes. This property is convenient to Hwy 11 and all of the activity nature lovers will find in the mountains. A well and septic will be needed. The tracts in this well laid out development are all multiple acres so you will always have privacy. It will never feel crowded here. If you are wanting a place to experience the tranquility of the mountains, and enjoy the rejuvenation of your spirit, you can find nothing better than this property.
